CONSTRUCTION

Clune Construction

Clune has promoted **Mike Camier** to Vice President. Camier's career in construction began over two decades ago with Laborers Union Local 79. From laborer to Superintendent, he has thrived in high-pressure environments, leveraging his ability to stay focused and deliver exceptional results. Camier excels at optimizing operations and implementing cost-saving strategies while supervising a workforce of over 50 laborers. His commitment to excellence drives success on all projects he manages.

CONSTRUCTION

Clune Construction

Clune has promoted **Patrick Dwyer** to General Superintendent, Senior Vice President. He was one of the first employees hired to establish Clune's New York office, which allowed him to create a robust structure when developing Clune's field staff. Known for his strong work ethic, accuracy, and ability to overcome complex challenges, Dwyer finds building a strong foundation in New York for the next generation to be the most gratifying part of his job.

CONSTRUCTION

Clune Construction

Teddy Kalaboukas has been promoted to Vice President at Clune. Kalaboukas' proactive approach and extensive experience in project management and field operations have increased project efficiency and fostered mentorship within the team. Among his notable achievements is the successful management of the logistically challenging concourse improvement projects at LaGuardia Airport. Kalaboukas is recognized for his composed demeanor, detailed communication style, and thoughtful leadership style.

CONSTRUCTION

Clune Construction

Clune has promoted **Danny Mastropiero** to Vice President. Although his career in the industry began as a union laborer at age 18, his journey with Clune Construction began in 2017 as a Superintendent. He quickly rose through the ranks due to his ability to meet tight deadlines and his aptitude for mentorship. Mastropiero is known for his expertise in managing aggressively scheduled high-end buildouts in some of the city's most notable buildings.

CONSTRUCTION

Clune Construction

Clune has promoted **Eric Sugarman** to General Superintendent, Senior Vice President. Over his nearly four-decade career, Sugarman has excelled at building logistically challenging projects in and around New York City, most recently overseeing a portion of the complex terminal improvements at LaGuardia Airport. Dedicated to mentorship, he leaves a positive impact on projects and colleagues and continuously strives for excellence.

BUSINESS / TECHNOLOGY

Activate Consulting

Activate Consulting (Activate), the leading management consulting firm for technology, internet, media, ecommerce, entertainment and sports companies, announced that **Cigdem Binal** has been appointed Associate Partner. Cigdem works with media and technology companies to define growth strategies and improve business performance through product, pricing, new business and go-to-market strategies. She also works with private equity firms on strategic due diligence and performance improvement.

BUSINESS / TECHNOLOGY

Orion Innovation

Kelly Ercolino joins Orion Innovation as the Senior Vice President of Marketing. With two decades of experience in technology industry marketing, including roles at Tata Consultancy Services and Coforge, she will lead Orion's strategic marketing function to achieve the company's revenue and growth goals. Before joining Orion, Ercolino was a marketing strategist and consultant for several high-profile technology companies.

HEALTH CARE

Schwarzman Animal Medical Center

Schwarzman Animal Medical Center (AMC) announces the promotion of **Dr. Philip Fox**, longtime Service Head of Cardiology, to Chair of the hospital's Caspary Research Institute, which aims to advance veterinary medicine through promoting clinical research. Dr. Fox is an internationally recognized leader in cardiology and research, with a distinguished career spanning over four decades. His expertise and leadership will promote the development of a new and important research department for AMC.
